

S200 CT

## S200 CT

Our entry-level model for professionals stands for simplicity in the preparation of coffee and the dispensing of hot water. The clear operating concept makes the powerful Rex-Royal S200 CT an all-round perfect coffee solution – from ristretto to coffee. If desired, it prepares two beverages at the same time. Newly the machine is delivered with a 7" capacitive touchscreen and "Ambient" illumination. On request you will be able to prepare two beverages simultaneously.
